Community Information Bulletin

Have your say on the Jubilee Park draft Enhancement Plan

In September 2019 community consultation was undertaken with residents and key user groups on proposed key elements being considered for Jubilee Park. The feedback received assisted Council to develop a draft Enhancement Plan for the precinct and surrounding open space.

We are now seeking further feedback on the draft Enhancement Plan which proposes works (including precinct priorities) to be undertaken in three stages:

- Stage one (works to be undertaken in 1-3 years)
- Stage two (works to be undertaken in 3-5 years)
- Stage three (works to be undertaken in 5 years and over)

Turn over to find out more about the stages.

Have your say by Sunday 5 July

In light of the COVID-19 pandemic, we are taking action to contain the spread of the virus and reduce the risk to the health of our community. As a result, we will not be hosting face-to-face drop-in sessions at Jubilee Park for this round of consultation.

Your views on the draft Enhancement Plan are important to us and there are a number of ways you can provide your feedback or seek further information from the project team.

Online: Share your views on the draft Enhancement Plan, join the discussion or ask questions at www.yoursay.maroondah.vic.gov.au/Jubilee or scan the QR code.

Hard copy surveys are available on request. Please call us on 1300 88 22 33 or 9298 4598 to arrange a copy.

If you would like any further information on the Jubilee Park Enhancement Plan, please call us on 1300 88 22 33 or 9298 4598.
