Draft Jubilee Park Enhancement Plan

Have your say on proposed key elements being considered for Jubilee Park

We are developing a draft Enhancement Plan for Jubilee Park to understand current and future needs for the sporting precinct and surrounding open space.

In conjunction with user groups and key stakeholders, we have developed four proposed key elements.

The proposed key elements are:

- Enhanced bushland
- Enhanced sporting facilities
- Enhanced open space
- Enhanced accessibility.

Feedback received during this stage of community consultation will be used to refine the key elements and to develop a draft Enhancement Plan for the precinct.

Have your say by Sunday 3 November - see overleaf for more information.

What are the proposed key elements?

Enhanced bushland

- Continue to develop and implement strategies that address loss of tree canopy
- Additional tree planting to increase bushland areas

Enhanced sporting facilities

- Improved multipurpose RO Spencer pavilion – (primary use for football and cricket however it will provide opportunities for other community groups to use during non-game/training times) *
- New regional indoor cricket training hub (possible use by other sports) - adjacent to pavilion *
- Improved spectator viewing area (adjacent to the pavilion and around Russel Lucas oval) *
- Lighting upgrade for Russell Lucas oval *
- Pavilion refurbishment (incorporating female friendly change facilities), new lighting and new scoreboard at Jubilee oval number 2 *
- Amenity improvement of tennis pavilion, fence replacement, installation of hot shots court *
- Soccer playing surface renewal
- New soccer scoreboard, improved spectator viewing area and lighting upgrade

Enhanced open space

- Consolidate playgrounds
- Upgrade playground with inclusion of picnic area
- Review dog off leash areas to improve safety
- Additional landscaping
- Improved lighting across the precinct *
- Use open space design principles that enhance public safety (including security around maintenance sheds)

Enhanced accessibility

- Consideration of a possible pedestrian crossing at Greenwood Avenue – (subject to further traffic studies and investigations) *
- Improved car park amenity and lighting (while being sympathetic to the natural setting of the park) *
- Improved pedestrian and cycling connectivity between facilities and within the precinct
- Improved vehicle and pedestrian access into Russell Lucas oval
- Improved signage/wayfinding within the precinct

* Subject to external funding
