

Maroondah 2040 Community Vision

Overview

The Maroondah 2040 Community Vision was adopted in June 2014 and captures the aspirations, desires, dreams, and priorities of the community looking ahead to the year 2040 and beyond.

Five years into the journey, the Vision has been revised following extensive consultation with the Maroondah community. We are now seeking feedback on the revised Maroondah 2040 Community Vision - April 2020 Update.

Please go to Council's Your Say engagement hub before 21 May 2020 to have your say.

Our community vision

In 2040, Maroondah will be a vibrant and diverse city with a healthy and active community, living in green leafy neighbourhoods which are connected to thriving and accessible activity centres contributing to a prosperous economy within a safe, inclusive and sustainable environment.

Over the past 12 months, we have engaged with the Maroondah community to review progress across all outcome areas, and to look closely at emerging issues and trends impacting our community.

As a result of this process, the vision for each future outcome area along with a range of key policy directions have been refreshed to reflect emerging priorities looking ahead to the year 2040.
